Soul Winning in Sunday School

"And the Lord said unto the servant, 'Go out into the highways and hedges, and compel them to come in, that my house may be filled."
Luke 14:23

The Worth of A Soul: Take advantage of open doors. Example: 20 children saved is 20 open doors. The earlier you get the gospel to them, the more potential they have for Christ.

Prospects: Find them, Win them, and Develop them. The Holy Spirit is your partner. Be soul conscious.

Absenteeism: What Is The Result? It will do great and eternal harm! The one in the leadership role needs to realize that and reach out to that person with great concern.

Don't forget "Back to School Days."

"There Is No Painless Way To Follow Christ."
Dr. Lee Roberson

Be a "Handshake & Hello" Person

At the beginning of class, stand at the door.

Greet your pupils with a friendly "Hello" & handshake.

Call them by name.

ENROLLMENT

Take some time to make enrollment in *this class* special. Your student needs to feel that they are part of something important.

Let the students help pick a name for their class for each quarter.

Plan a theme around their class name.

Work to enroll all prospects in your class.

Be excited about new class members.

Hello, My name is…

We tend toward our "comfort zones," so make introductions comfortable.

Practice saying, "Hello, my name is… What is your name?"

Call them by their name. "Hi…It's a pleasure to meet you."

Use their name at least once in the conversation that follows. This will help you remember.
