

*"And it shall come to pass, if ye shall hearken diligently unto My Commandments Which I Command you this day, to love the LORD your God, and to serve Him with all your heart and with all your soul, That **I Will Give You The Rain** of your land in his due season, the first rain and the latter rain, that thou mayest gather in thy corn, and thy wine, and thine oil." **Deuteronomy 11:13-14 KJV***

Everything accomplished under the sun is done by man. Food is universal. Without rain, there's no water; without water, there's no food; and without food, men perish. Men cannot control the weather. They can irrigate arid landscapes but they cannot create water. Without rain, rivers and oceans dry up. For all of his pretentious pomp and swaggering bravado, all men are totally dependent on the God of Heaven to make rain. Men think that the forces of nature are what they are and will cycle regardless, but they are wrong. God Can Interrupt His Own Creation At Will, And He Shall, if men do not repent and turn back to His Commandments! I've read the last chapter of God's Best-seller, and the end is very near and deadly. He closes with, "*Seal not the Sayings of the Prophecy of this Book: for The Time is at hand. He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is Righteous, let him be Righteous still: and he that is Holy, let him be Holy still. And, Behold, I Come Quickly; And My Reward Is With Me, To Give every man according as his work shall be.*" Men foolishly blame God for disasters of their own making. In the end, men will pray to rocks and mountains. "*And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, 'Fall on us, and hide us from the Face Of Him That Sitteth On The Throne, and from the Wrath of The Lamb.'* And men were scorched with great heat, and blasphemed the Name of God, Which Hath Power over these plagues: and they repented not to give Him glory." If you are too busy or in denial about current world government, economics, and persecution of Christians, **GET YOUR HEAD OUT OF THE SAND!!! WE ARE IN THE LAST DAYS!!!** Satan knows his time is short and is working feverishly on the final delusion which he has been choreographing for millennia! It is so important that we do not take for granted the daily Providential Blessings of our Creator. Rainy days and winter may be gloomy, but be thankful. Without snow and rain, there's no food. Evil corporations, like Monsanto, manipulate food genetics for profit, but they've overlooked one simple fact: God controls the weather, and thereby their profit. They hate to acknowledge it, but their gain is still in God's hands. Rain is either a blessing or a curse depending on when it comes. Spring and summer rain is a blessing, but harvest rain is a disaster. Most of us have forgotten the importance of timely rain. Ask any flood victim!

The field awaits the gentle rain,
But greedy men await the gain,
They dare forget that God above,
Provides for them from His great Love. –CGP

Physical existence is God dependent in spite of wicked attempts to deny His Existence, and eradicate His remembrance from the minds of our children. We so soon forget in the midst of bounty! Ask starving children, worldwide, how important food is! When you put that next bite of food in your mouth, remember the "Source" from whom it came and bless His Name!

"In every thing give thanks: for this is the Will of God in Christ Jesus concerning you." 1 Thessalonians 5:18 KJV
