

*"Be ye therefore very **Courageous To Keep And To Do** all That Is Written in the Book of The Law of Moses, that ye turn not aside therefrom to the right hand or to the left;" Joshua 23:6 KJV*

As believers, what we see and what we know are two very different things. *"The Spirit itself beareth witness with our spirit, that we are the children of God. For we walk by Faith, not by sight"* There are things believers KNOW that cannot be proved with physical tests. You cannot prove God exists or doesn't exist with human science which is why the debate still rages in "scientific" circles. Science has been desperately trying for over a century to prove evolution true, so they can "reasonably" reject God and His creation. *"That Which may be known of God is manifest in them; for God Hath Shewed It Unto them. The heavens declare the Glory of God."* Evolution is, after all, still just a theory. Knowledge does not originate in human understanding. *"The beginning of Knowledge is the Fear of the LORD. The natural man receiveth not The Things of the Spirit of God: for They are foolishness unto him: neither can he know Them, because They Are Spiritually Discerned."* Any good teacher will tell you, without a good foundation in academic basics, learning a new concept is next to impossible. You can't read without knowing the "ABC's" and you can't add without knowing "1+1=2." You can't know The Absolutes of Divine Truth without knowing God. Knowledge acquisition begins with God, all human knowledge is suspect and useless. Secular education instills the lie that science is the sum total of learning; if it cannot be determined with natural senses and equipment, it is suspect or doesn't exist at all. It makes human reason, God! Science is what men think they know until "new facts" disprove "old facts!" The reality is; most scientific "fact" is supposition and theory. Read carefully all "scientific" literature on Evolutionistic theory and you will constantly come across words like probably and possibly. It's amazing how many times the words if, we believe, and may, appear. Science is more religion than anything; it is the Church of the intellectual fool. *"The fool hath said in his heart, 'There is no God.'* In every believer Resides The Very Presence And Person of God, the Holy Spirit; neither seen nor heard by unbelievers. The inner Voice of Truth is all the proof any true believer needs to trust, even his life if necessary, to The Invisible, Immortal, Immutable God. *"Without Faith it is impossible to please God,"* because without Faith, it is impossible to hear or trust God. *"Faith Cometh by hearing...the Word of God."* Preaching the Gospel is the method by which dead men hear the *"Living Word: The Gospel of Christ. It Is The Power of God unto Salvation."* God's Word Delivers God's Gift of Faith. Rejected, we remain in condemnation. *"He that believeth not is condemned already."* We hesitate to trust God, because we don't believe His Word and think the tempest greater. Knowing God's Word lets us see God in our storms and vanquishes our unbelief!

True courage trusts the Great Unseen,  
And goes beyond all earthly means,  
It scales impossibility,  
And conquers all in Liberty! –CGP

God's Gifts of Faith And Love Are The Two Spiritual Senses That Complete the believer's array of sensory perception. They allow sight of the Supernatural Presiding over the natural and bring confidence in the Invisible God against all adversaries!

*"Wait on the LORD: be of good courage, and He Shall Strengthen thine heart: wait, I say, on the LORD. Be of good courage, and He Shall Strengthen your heart, all ye that hope in the LORD."* Psalms 27:14; 31:24 KJV
