

"When I consider Thy Heavens, the Work of Thy Fingers, the moon, and the stars, which Thou hast Ordained: What Is Man, That Thou Art Mindful Of Him? And the son of man, that Thou visitest him?"
Psalm 8:3-4 KJV

For all his achievements man is by nature a weak sniveling coward. In danger, the first impulse is to run and hide. His machines can do great wonders and his structures are marvels to behold, but he, himself is frail. He must be protected from things that even small animals handily survive. Rabbits can live in extreme cold; lizards endure scorching heat; small crustaceans live in steel crushing ocean depths; but let a tiny mouse scurry through a crowded room and pandemonium erupts. God has created an exact environment for man's habitation. A little closer to the sun we would burn up: a little farther away and we would freeze solid. Even the sea-level atmospheric pressure is the optimum needed; 15psi. God is more Powerful than all the energy contained in the billions of stars and yet He stooped to Rescue His most frail creature; man. Through faith, man has the ability to perceive and exist in a parallel reality; the spiritual reality where God, Himself dwells. *"For now we see through a glass, darkly."* In this other worldly dimension, soul and spirit can fellowship with *"God Who is a Spirit, in spirit and in Truth."* You may not think of it as reality, but Truth is its own dimension! *"While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal."* Like light in darkness, Truth cannot co-exist with falsehood. Darkness is the absence of light and Truth is the absence of lie. Like one drop of cyanide in a gallon of pure water, if any part is untrue, then the whole is a deadly lie. You cannot find shadow in flame. *"God is Light and in Him is no darkness at all. Our God is a Consuming Fire. It is a fearful thing to fall into the Hands of a Living God!"* After considering all the vastness of a night sky, David asks, *"What is man?"* Man; a bacteria that crawls around on a speck of dust in the universe, called "Earth," flexing his ludicrous ego as if he had importance; rejecting God's incredible transformation! *"Because that which may be known of God is manifest in them; for GOD HATH SHEWED IT unto them. For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His Eternal Power and Godhead; so that they are without excuse"* The very process that supplies the air you breath is a divinely crafted, intricately designed symbiosis of man and plant. The next time you reject Truth in favor of your own wisdom or desire, ask yourself this; "How long would you survive without God's Creation?"

Perfected in its magnitude,
Precision quite misunderstood,
The universe defies the man,
That thinks he's greater than God's plan! –CGP

The man who deceives himself into thinking he can do without God will have eternity to regret his unbelief! *"But the...unbelieving...and all liars shall have their part in the Lake which burneth with fire and brimstone: which is the Second Death."* Live without God in this life and live without Him, forever, in the next!

"For the Wrath of God is revealed from Heaven against all ungodliness and unrighteousness of men, who hold the Truth in unrighteousness; Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened."
Romans 1:18, 21 KJV
