

"It is time for Thee, LORD, to work: for they have made void Thy Law." Psalm 119:126 KJV

From children to world leaders "there is no fear of God before their eyes." God is seldom mentioned, except to take His name in vain by either cursing or merchandising. Moslem jihadists kill in the name of allah. Jesus predicted this; "Ye shall be hated of all men for my name's sake. Many will say to me in that day, 'Lord, Lord, have we not prophesied in thy name? And in thy name have cast out devils? And in thy name done many wonderful works?' And then will I profess unto them, 'I never knew you: depart from me, ye that work iniquity.'" The wealthy elite conspire with World leaders to engineer genocide and spew blasphemy in the name of safety.

Corruption is the norm rather than the exception! Children are being taught hate and Satan worship. Schools and universities are filled with godless cretins who worship intellect and humanity. Every man does that which "seemeth right... in his own eyes, but the end thereof are the ways of death." It is against the law to post "God's Law" publicly. Babies are murdered by the millions in the name of pleasure and convenience. There is no way to number the countless souls that have been prevented from life through birth control. Famines brought on by greedy political rulers have ravished nearly a quarter of the globe. Disease and pestilence are running amok. Anxiety and fear are the order of the day being fed to the public by media to enlarge profits and kickbacks from minority groups. Perversion is being legalized by the Supreme Court and Congress plainly exhibits their intentions by turning a blind (bribed) eye to gross sedition and criminality of those sworn to uphold the Constitution! There are millions of earthquakes, storms, and floods happening annually. War engulfs our globe in the name of corporate profit. The only thing that stands between mankind and utter annihilation is the very Word of God which is being trampled underfoot by mocking fools! I believe it is time for all believers to quit being apathetic and negligent in the work of faith, namely, evangelizing "every creature." If the church had remained faithful in its duty in the world, we'd have a lot less godlessness and a lot more righteousness. Satan learned very quickly that prosperity destroys faith much more efficiently than persecution ever could and used lust to enslave men with debt and debauchery. Don't get me wrong: There are thousands of believers standing on faith being murdered daily for the cause of Christ. The majority is being slaughtered in the name of allah. I do not think that God will wait patiently much longer. I believe the cup of His wrath is ready to be poured out on the heads of the wicked!

It's time for God to make an end,
Of every evil deed of men,
Delivering His righteous seed,
The ones who for His justice plead. -CGP

The world writhes in the agony of evil. Now, more than ever, Jesus needs to be lifted up as the Saviour and Hope of the world. "The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof." It is time!

"Now is the judgment of this world: now shall the prince of this world be cast out. And I, if I be lifted up from the earth, will draw all men unto me." John 12:31-32 KJV
