

*“For thou hast possessed my reins: Thou hast covered me in my mother's womb. I will praise thee; for **I Am Fearfully And Wonderfully Made**: marvellous are Thy Works; and that my soul knoweth right well. My substance was not hid from THEE, when I was made in secret, and curiously wrought in the lowest parts of the earth. Thine eyes did see my substance, yet being unperfect; and in Thy Book all my members were written, which in continuance were fashioned, when as yet there was none of them” Psalms 139:13-16 KJV*

Men “oo” and “ah” at the creation of artificial intelligence (AI) and self-aware robots, but seldom pause to consider the complexity of even the youngest child. Even in the womb babies can learn and respond. And they grow...which no robot ever did. Each child is the merging of two other unique souls to create yet another distinctly unique individual. Human DNA is so tiny and complex it's taken years of research to even map it. Yet it controls everything from your eye color to the shape of your feet. God designed and executes every atom of every living soul past, present, and future, including you; and each of us is one-of-a-kind! Even “identical” twins are not truly identical. And yet we continue to mock, deny, and neglect the Designer of our eternal soul! Yes, that's right; ETERNAL. Once created, our soul exists for eternity; with God or without Him. It's our choice! Hell is not God's choice for men. *“Then shall He say also unto them on the left hand, Depart from me, ye cursed, into Everlasting Fire, PREPARED FOR THE DEVIL AND HIS ANGELS.”* Hell is the personal choice of every soul who goes there! Hell is everything Heaven is not. The only hierarchy in Hell is who burns hotter! *“And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the Book of Life: and the dead were judged out of those things which were written in the books, ACCORDING TO THEIR WORKS. And the sea gave up the dead which were in it; and Death and Hell delivered up the dead which were in them: and they were judged every man ACCORDING TO THEIR WORKS. And Death and Hell were cast into the Lake of Fire. This is the Second Death.”* Hell is only a temporary abode for the wicked until the final Judgment. The Lake of Fire is the “black hole” of Eternity! There is no escape! To choose God you must do it His way and believe through faith in His Word. Believers obey; unbelievers disobey. *“But the fearful, and UNBELIEVING, and the abominable, and murderers, and whoremongers (pimps), and sorcerers (drug dealers, black arts), and idolaters, and all liars, shall have their part in the Lake which burneth with fire and brimstone (lava): which is the Second Death.”* Our eternity is our choice, not God's!

We're wondrously designed by God,
To live upon this mortal sod,
But by our choices we decide,
In Hell or Heaven to abide. –CGP

The next time you doubt God, just stand quietly and watch a sunrise, and realize that it's immensity and faithfulness is part of God's Plan. It has never once failed to rise! As it warms your face, think of the fact that that warmth has crossed 93 million miles of space to keep you from dying. Then remember your Creator who intricately designed and created everything there is; from atoms to galaxies!

“The Law of the LORD is perfect, converting the soul: the Testimony of the LORD is sure, making wise the simple. The Statutes of the LORD are right, rejoicing the heart: the Commandment of the LORD is pure, enlightening the eyes. The Fear of the LORD is clean, enduring for ever: the Judgments of the LORD are true and righteous altogether. More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb. Moreover by them is Thy servant warned: and in keeping of them there is GREAT REWARD.” Psalms 19:7-11 KJV
