

"Thine Eyes Did See My Substance, yet being unperfect; and in Thy Book all my members were Written, which in continuance were fashioned, when as yet there was none of them." Psalm 139:16 KJV

Before you were born God decided your eye-color, hair-color, skin color, and all the other parts of you. He writes it down in His Book. God predetermined with His Masterful Creation of DNA that every person would be uniquely different from every other; one of a kind in "God's Own Image!" God decides who is and who isn't before birth, not the abortion clinic. The unborn is a soul before the moment of conception. Procreation only provides the body for the soul and spirit to occupy. All are born into condemnation by virtue of Adam's sin; therefore the body is "sold under sin" and separates the soul from the "living" God. Without a conscious choice to obey God's Word by faith, men are separated from God. It is the Word of God preached by believers that brings the Gift of Faith to the hearing ear. "Faith cometh by hearing...the Word of God." Those who murder the unborn have conveniently redefined "child," but every slain innocent will have their

blood required at the hands who spilled it! Murderers go free on reasonable doubt, so shouldn't the unborn have the same courtesy? The controversy has raged ever since our Supreme Court legalized abortion. The kicker is; they fund it with tax dollars, so many who oppose abortion still end up paying for it, which makes them unwilling accessories to murder! That alone is reason enough to label taxes as theft! The KING is coming, and He will Execute Vengeance on all the Margaret Sanger henchmen! Mothers are being turned into baby-killers with lies and propaganda, while young men use the murder of the unborn to abandon their children. Fornication is socially acceptable, nay, even encouraged! We are living in a nation of lust run amuck! God said, "It shall be more tolerable for Sodom in the Day of Judgment." There are heathens and pagans in third world countries with higher moral standards than the average American. Satan has looted us with lust and plundered us with pleasure! Get the Truth to those who will listen before it's too late; before the point of no return!

Before I was God knew my whole,
My soul was made, my parts all told,
He loved me then and loves me now,
He'll love me when all knees shall bow. –CGP

Let me pose a question: "Who" conquered the Roman Empire? The question is more a question of "What" conquered the Roman Empire. It was unchecked immorality at the highest levels which finally managed to undo in a few short years what took decades to accomplish. Roman decadence knew no bounds! The games at the coliseum were no more brutal than what takes place with regularity each day in abortion clinics. Babies are murdered for the pleasure and profit of all those concerned! Evil dissolved the Roman Empire from within and the U.S.A. is hot on the same trail! It will surely fail and fall!

"For your hands are defiled with blood, and your fingers with iniquity; your lips have spoken lies, your tongue hath muttered perverseness... Their feet run to evil, and they make haste to shed innocent blood: their thoughts are thoughts of iniquity; wasting and destruction are in their paths. The Way of Peace they know not; and there is no judgment in their goings: they have made them crooked paths: whosoever goeth therein shall not know Peace." Isaiah 59:3, 7, 8 KJV
