

*“Praise the LORD, O Jerusalem; praise thy God, O Zion. For He hath strengthened the bars of thy gates; He hath blessed thy children within thee. He maketh peace in thy borders, and filleth thee with the finest of the wheat. He sendeth forth His commandment upon earth: His Word runneth very swiftly. He giveth snow like wool: He scattereth the hoarfrost like ashes. He casteth forth his ice like morsels: who can stand before His cold? He sendeth out His Word, and melteth them: He causeth His wind to blow, and the waters flow.” Psalms 147:12-18 KJV*

The climate alarmists purport themselves to be mankind’s beneficiaries. Their opponents label them as liars, but the truth of the matter is; they are blasphemers. Satan is craftily using them to suggest that man somehow manipulates what God alone controls. It still does not excuse men’s poor stewardship of earth’s resources. If the ice caps are melting, it’s because God has ordained it so. God alone controls the wind and the cold. He alone controls the orbits of the planets and the heat from the sun. He alone is responsible for the seasons and the timing of the rain and snow. Hurricanes operate by Divine command. It was no surprise that New Orleans was the target of a hurricane. The city was blatantly wicked for decades. It surprised me even less that it’s fools defiantly returned to their wickedness before even rebuilding their homes. It only proves that fools do not heed the wrath of God. Blasphemers are the cause of innocent suffering. Just as the brimstone of Sodom destroyed Lot’s possessions, those who associate with the wicked will share the wrath of God when it comes. Lot may have been righteous, but his choice of association destroyed his family: A lesson often overlooked by the faithful. Global warming alarmists have, as an ulterior motive, the enslavement of humanity. The ability to tax CO2 emissions is the ability to tax every human being, because that is what we exhale. Maybe a tax on sunlight is next? Some fool of a politician has said, “Water is not a human right.” Nothing is sacred to blasphemers except their own ego. God’s swift judgment will remind fools harshly that He is still in charge of every minute detail of the universe. They will pray for death and plead with the mountains to fall on them to hide them from the face of the God who they denied with their lips and knew in their soul. Denying God or His power is a decision to lie. Those who do, know that it is a lie. The Truth is, *“All liars shall have their part in the Lake which burneth with fire and brimstone: which is the Second Death.”* We stand or fall by God’s decree.

The winds of earth are God’s alone,  
The rocks and rills and ev’ry stone,  
When fools deny, blaspheme God’s Law,  
They’ll not survive His judgment call. ~CGP

Find your comfort in the everlasting arms of the Almighty, and ignore the blasphemous fools who deny Him! Global warming will come only by God’s hand and for His Glory! *“The first angel sounded...and the third part of trees was burnt up, and all green grass was burnt up. And the second angel sounded...and the third part of the sea became blood. The third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters.”*

*“Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure.” Psalms 2:1-5 KJV*
