

“Let Him kiss me with The Kisses Of His Mouth: for Thy Love is better than wine. Because of the savour (fragrance) of Thy good ointments (perfumes) Thy Name is as ointment poured forth, therefore do the virgins love thee. Draw me, we will run after Thee: the KING hath brought me into His Chambers: we will be glad and rejoice in Thee, we will remember Thy Love more than wine: the upright love Thee.” Song of Solomon 1:2-4 KJV

The Song of Solomon is an exchange between lovers and is a picture of the believer and their KING. When we are kissed, our soul is caressed. A kiss conveys through action the passion of another's heart. There are many kinds of kisses, but they all have one thing in common; they indicate affection. Since we cannot physically touch God, the only way we can know His Touch, right now, is through His Word. God's Words are His Kisses, because they convey the Passion of His Heart to our soul! You cannot be kissed from across the room, unless a kiss is blown to you, but you will not receive it if you are not focused on the sender. When an understanding of God's Word, the Light of Truth, illuminates your mind, God is blowing you a kiss; a whisper, if you will. The touch of a beloved's hand is a singular thrill, but the kiss touches more than lips; it caresses another's soul! Fellowship is the mutual enjoyment of a shared interest. There is fellowship of action; like a fishing buddy: There is fellowship of thought; like a chess game: And there is fellowship of emotion; like cheering on your favorite team. But a kiss combines all three and becomes the fellowship of the soul. *“If we walk in the Light (enjoy doing the Truth) as He is in the Light, we have fellowship one with another.”* The love of God's Word is what knits our soul to Eternity's Sovereign in ways that transcend human reason and understanding. It bonds us together with God on the spiritual level and not only is our soul caressed, but our spirit touches the Holy Spirit of God Himself! God is omnipresent; always where you are, but if you neglect His Word, you have let go of His Hand and are no longer walking with Him. Obedience is how we display our affection to God. Lip-service to Truth without obedience is the kiss of betrayal!

The warming touch of Lover's Hand,
Inflames our soul, we understand,
The passionate desire of soul,
That sweetly heals and makes us whole! –CGP

When the Voice of Truth is heard in thought, God is blowing us a Kiss. If it captures your heart and you seek Him out, you will feel His caress upon your soul. If you stay with Him and delight in His Words, His Spirit will reveal the desires of His heart towards you! You will share the mutual pleasure of each other's companionship. A beloved is much more than friend or family: They are a soul-mate!

“Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy Rod and Thy Staff they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over. Surely Goodness and Mercy shall follow me all the days of my life: and I will dwell in the House of the LORD for ever.” Psalms 23:4-6 KJV
