

"Behold, the days come," Saith the Lord GOD, "that I Will Send A Famine in the land, not a famine of bread, nor a thirst for water, but Of Hearing The Words Of The LORD:" Amos 8:11 KJV

A tsunami of Scripture is presented to the world over today's pulpits, airwaves, and internet. There is no dearth of proclaimers of the Word of God, but a dearth of hearers. God's Word Gives us the proofs we need. *"And hereby we do know that we know Him, if we keep (obey) His Commandments. He that saith, 'I know Him,' and keepeth not His Commandments, is a liar, and the Truth is not in him. Even the Spirit of Truth; Whom the world cannot receive, because it seeth Him not, neither knoweth Him. He Will Guide you into all Truth."* If your mouth says you believe and you play with the world, you are a liar! Many claim to be "Christian." Many also claim to know what God's Word says and assume to teach what they do not know. Jesus said, *"Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Thy Name? And in Thy Name have cast out devils? And in Thy Name done many wonderful works?' And then Will I Profess unto them, 'I Never Knew you: depart from Me, ye that work iniquity.' For whom He (God) Did Foreknow, He Also Did Predestinate To Be Conformed To The Image Of His Son, that He Might Be the firstborn among many brethren."* God "Knew" His Children before the foundations of the world! *"According as He Hath Chosen us In Him before the foundation of the world, that we should be Holy and without blame before Him In Love. By this shall all men know that ye are My Disciples, if ye have Love one to another."* Today's world is the logical result of decades of Darwinist indoctrination; a "survival of the fittest" mindset. The Truth is abdicated and ignored by fools who consider the life of an insect as valuable as a man's. No one cares about murdered babies although they risk life, limb, name, and fortune to protect nature. The white owl of the north woods is a good example. Families of loggers were made destitute on the word of some crackpot "experts" who claimed that if the forest was logged the bird would go extinct. To their dismay, the birds were found building nests and thriving in downtown Seattle. Species will adapt but not "evolve." Scientists have great difficulty changing DNA even under laboratory conditions. Modified species generally weaken and die. Hybrids are a good example. They cannot reproduce. God decreed each would reproduce *"after its kind"* and it has never changed! The world can only be changed one *"hearer"* at a time as God Creates new creatures with His proclaimed Word. Our priority as believers is to proclaim Truth at every opportunity and watch to see if there are any that "hear" our words. Sometimes it is like looking for water in the desert, but if there are signs of life, there is water. Proclaim the Truth. Perceive the hearers. Pursue their instruction. If each one wins one, we'll see real change begin to catch fire everywhere. Without hearers, Truth is like noise to the deaf, but God creates His own "hearers." *"Faith cometh by hearing...the Word of God. For by Grace Are ye Saved Through Faith; and that not of yourselves: It Is The Gift Of God. The Gospel...Is The Power Of God Unto Salvation to everyone that believeth."* If we continue to proclaim Truth, It Will Find the *"hearers."*

The Truth is sight unto the blind,
It 'luminates the darkened mind,
There is none other of its kind,
Those who seek it will surely find. –CGP

Truth is more precious than fine pearls or glistening gems. Find it. Guard it. Keep it. Share it.
