

*“And we know that all things work together for good to them that love God, to them who are the Called according to His Purpose. For whom He Did Foreknow, He also Did Predestinate to be Conformed To The Image Of His Son, that He Might Be The Firstborn among many brethren. Moreover whom He Did Predestinate, them He also Called: and whom He Called, them He also Justified: and whom He Justified, them He also Glorified.” Romans 8:28-30 KJV*

“He is the image of his Dad!” or “She is just like her Mom!” are expressions often used to indicate a child exhibits unique characteristics held only by their parent. But it doesn’t make them any less unique as an individual. Each child in a family is individually unique from the others, while at the same time exhibiting attributes identifying their parentage. Our DNA is a Divinely Designed combination of all our ancestry, while at the same time being uniquely different from them all. We each hold a DNA marker inherited from Adam and Eve who were the children of God. *“God Created man in His own Image, in the Image of God Created He him; male and female Created He them.”* Just as God Is One Uniquely Eternal Individual, each of us is a unique eternal soul. There will forever only be one YOU! Adam and Eve were the first humans and also, the first sinners against God; that condemnation is inherited by every human soul who was ever conceived! When we turn against that condemnation, through faith believing God in spite of circumstance and human reason, God changes the parentage of our soul! *“Therefore if any man be in Christ, he is A NEW Creature: old things are passed away; behold, ALL THINGS ARE BECOME NEW.”* God’s Nature becomes our nature and we begin to exhibit the characteristics of our new Parentage. We start to be the Image of our Father. No child immediately exhibits all the characteristics of its parents, but over time these appear. The more time they spend together, the more like their parent they become. Here’s the thing; while others see the similarity of children to parent, the parent sees and delights in what makes their child unique from every other. God Loves the World, true, but God also delights in YOU! There may be many Paul’s and Patti’s, but only one of each of YOU! God doesn’t want to erase your unique individuality; He delights in it: He just wants to remove that which hinders your eternal pleasure at His Side! *“Whom He Called (who believed), them He also Justified (made worthy): and whom He Justified, them He also Glorified (made perfect).”* That is why His Word Called to YOU in the first place. Those who believe, He is going to make as Perfect and Holy as Himself and give them a new name! *“To him that overcometh will I Give to eat of the Hidden Manna, and will Give him a White Stone, and in the Stone A NEW NAME Written, which no man knoweth saving he that receiveth it.”* God will know YOU, forever!

You are the YOU in which God Delights,  
And YOU are so precious in His sight,  
He will take away your darkest night,  
And turn all your shadows into Light! –CGP

You are the only one of YOU there will ever be in all of Eternity! Don’t send that precious YOU to eternal darkness by rejecting the God Who Died in torment to secure your eternal pleasure! God Himself Rejoices in the return of each and every child that answers His Call!

*“Likewise, I say unto you, there is Joy in the presence of the angels of God over one sinner that repenteth.” Luke 15:10 KJV*
