

*"Whereas ye know not what shall be on the morrow. For what is your life? It is **even a vapour**, that appeareth for a little time, and then vanisheth away." James 4:14No2 KJV*

We smell smoke before we see it. The force which binds matter together is called density. Iron is very dense; solid. Water is less dense; fluid. Oxygen is least dense; gas. Solid is denser than liquid and liquid than gas. This is why the sea and air remain separate. Only faith understands the universe! *"Through faith we understand...that things which are seen [are] not made of things which do appear (visible), but BY THE WORD OF GOD...are kept in store, reserved unto fire against the Day of Judgment and perdition of ungodly men."*

Our lives are but vapor, afloat in time. We can't change time and, like vapor in wind, are powerless against it! But, like water vapor, we can be transformed by forces outside of ourselves! *"If any man be in Christ, he is a NEW creature: old things are passed away; behold, ALL THINGS are become new. Be not conformed to this world: but be ye TRANSFORMED by the renewing of YOUR MIND, that ye may prove (know and do) what is that good, and acceptable, and perfect, will of God. Let the MIND OF CHRIST (God's Word) dwell in you (in thought)."*

Men instinctively apply physical senses to the realm of the supernatural. Compared to eternity, time is smoke in a hurricane! True perception of eternity is only available through faith in God's Word. *"The things which are seen are temporal; but the things which are not seen are eternal. Faith is the substance of things hoped for, the evidence of things NOT SEEN. For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? But if we hope for that we see not, then do we with patience wait for it."* Human reality is constrained by that which it can perceive. Eternity is a concept only comprehended through faith! Believers must meditate on the seemingly impossible FACTS of God's Word until, like Abraham, they can look *"for a city...whose builder and maker is God!"* Until telescopes, stars were just dots of light. Faith's "telescope" let's us see God's eternal supernovas!

Be not bound by wisps of time,
But make the Truth quite wholly thine,
By faith alone believe God's Word,
And walk in Son shine with your Lord. -CGP

Earth is the most perfect place in the universe for human habitation! If the money spent on leaving it were spent on preserving it, we would not be in trouble! It was the first heavenly body in the universe! *"IN THE BEGINNING God created...the earth. And God said, 'Let there be lights in the...heaven to divide the day from the night...to give light upon the earth:' and it was so...He made the stars also...THE FOURTH DAY."* Believers will be changed and live without time in the now unseen realm of eternity! We will see things never before imagined, like hearing color or seeing music! The Bible says *"Eye hath not seen nor ear heard... the things which God hath prepared for them that love Him."* Heaven is an eternally SOLID reality!

"Trust in the LORD with all thine heart; and lean not unto thine own understanding." Proverbs 3:5 KJV
