

"Knowing this first, that no Prophecy of the Scripture is of any private interpretation. For the Prophecy came not in old time by the will of man: but Holy men of God spake as they were moved by the Holy Ghost." 2Peter 1:20-21 KJV

You cannot understand Scripture apart from the Holy Spirit. There is only One God, One Spirit, One Word, and One interpretation, GOD'S! His Word explains itself to the faithful who "study to show [themselves] approved UNTO GOD." The mysteries locked in its pages are only revealed to the believer. You may deny, dislike, or disagree with God's Word, but you will never negate its Truth or prevent its prophecies. Attempt to destroy its presence from off the earth, and you will fail! Many have tried already. It is settled in Heaven and preserved on earth. You may burn the book, but you cannot erase the believing heart. There are many lands where the leaders are so fearful of its presence, they have made it a capital offense to possess it. The Power in the printed Word of God will challenge their control and destroy it, and they know it. Truth liberates the slaves of sin and castigates the empire of evil. I make no distinction between Truths, because there is only one Truth, God's Word! It is either Truth or lie. There is no middle ground. Omitted Truth IS A LIE. Partial Truth IS A LIE. Obscured Truth IS A LIE. How many times have you avoided a phone call by saying, "I'm not here"? If it's not true, it IS A LIE! A lie dishonors God and your testimony. How can the opposite of Truth, a lie, be anything but evil? How can a lie be "white?" That is like saying, "Water is dry!" We rationalize evil by renaming it. A lie becomes a fib, and murder of infants becomes aborted fetus. It may salve man's conscience but never masks it from God. Millions of infants are murdered each year in the name of convenience, and we say, "God Bless America!" Any who obscure, change, or deny the hard Truth of Scripture desire to hide sin, avoid accountability, and neglect duty and they will endure torment forever unless they repent! The Holy Spirit will guide the simplest believer among us into Truth. Learning to read well is the single most important skill a person can possess. Our so-called "modern" education has removed the general public's ability to read well. Few even know how to spell, but "text" using one-letter to represent whole words. Our newspapers are written using elementary school words, because most cannot read above a third grade level! Those who attended the one-room schoolhouse were better readers, by far, than most college freshmen, because their main textbook was the Word of God. None disputed its Truth or right to be in the classroom!

Truth surely stands the test of time,
God breathed it out, it is Divine,
The Spirit guides, the Word revealing,
And faithful saints will know its meaning. ~CGP

The intelligence of our schoolchildren has steadily declined ever since our Supreme Court upheld one wicked witch's objection to prayer, to the exclusion of the rights of all others! The morals of our nation have deteriorated into heathen paganism since infant murder was renamed "choice" by our so-called Supreme Court! The day they so ruled, they aligned themselves with pure evil against Truth! Satan hates Truth. It is deadly to his evil agenda and he works tirelessly to destroy it! Truth can only be avoided until Eternity's door. On the other side of death's door, there is no dispute!

"For ever, O LORD, thy word is settled in heaven." Psalms 119:89 KJV
