

"And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called 'Wormwood' (bitter/calamity): and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter."
Revelation 8:10-11 KJV

Scientists have been saying for years now, that our planet will inevitably be struck by an asteroid. Well, that's not quite right. The Bible says a star named "Wormwood" will strike. It will poison one third of all water on earth and men will die. We could speculate as to the nature of the star and the subsequent poisoning, but it would just be speculation at best. Men are rebelling against the God who hangs the universe on nothing. They are still unsure of all the forces at play in the universe, but they ignorantly assume that their minds can understand the complexities of creation while refusing to acknowledge the Creator. The Word of God addresses such individuals. *"The fool hath said in his heart, 'There is no God...ever learning and never able to come to the knowledge of the Truth. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His Eternal Power and Godhead; so that they are without excuse: Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, and changed the Glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things."* Isn't it wonderful how succinct God's Word is? The Bible is not written as a scientific textbook, but when it deals with the science of the physical universe it is, as with everything else, 100% accurate. Columbus believed God's Word of and staked his life and reputation on it. None of his crew believed him until they spotted land. God's Word has been proven absolute Truth over and over again, yet men still refuse to believe it, because it condemns their sin and foretells Judgment. Like a bunch of proverbial ostriches, they stick their heads in the sand of human reason and think they're OK. Denial is certain destruction when destruction is certain!

The wrath of God will surely fall,
Upon the wicked, one and all,
His Word denied to no avail,
His children, only, will prevail. ~CGP

Intellectuals think for their much speaking that they are right. They reason with flawed logic, build on false premises, ridicule Truth, and put forth lies as gospel, and those that follow them are just as guilty!

"Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: (but) he that acknowledgeth the Son hath the Father also." 1 John 2:22-23 KJV
