

*“Marvellous things did He in the sight of their fathers,
in the land of Egypt, in the field of Zoan.” Psalms
78:12 KJV*

I had a boss once that insisted the electric light bulb was of the devil! I tend to agree with him more than disagree. Modern man, for the most part, spends his life indoors. This is mainly possible, because of artificial lighting. There is no nature indoors except for the occasional potted plant and even those are being substituted with artificial ones for convenience. There is no sun or rain indoors. God's Word says, *“The heavens declare the glory of God; and the firmament sheweth His handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard.”* Satan is using modern technology to silence the voice of Creation! I remain indoors, because of disability, but had I the capability, I would live in the mountain forests! You've heard the expression, “God's Country?” Well, it's all His! God didn't build a city, yet. He *“planted a garden eastward in Eden.”* In the jungle, it was never really cold and when it rained, you just looked for a “Traveler's Tree.” It has broad leaves like a banana tree and grows everywhere. You can also get safe drinking water from it. It's upward pointing leaf stems collect and filter rainwater. “Elephant Ears” plants are also prolific and their leaves often grow in excess of three feet across, and I've seen them larger! Creation speaks of its Creator with one exception: Man! When is the last time you spent a day or even just an hour observing Creation? Who can gaze without a telescope at a star-studded heaven without just a little sense of awe? David, the shepherd boy, saw the same constellation you see. Like their Creator, the stars, sun included, remain so unchanging, men use them for navigation and time of day! Every sunrise reminds us the faithfulness of God! Morning by morning new mercies we see! We wake, we rise, we breathe, and we walk without hardly ever thanking God for just the new day of life He has granted us! Not to mention His daily provision if we are obedient. His sun shines and His rain falls *“on the just and the unjust,”* alike! It is this *“goodness of God that leadeth [men] to repentance!”* What marvellous bit of Creation comforted your soul, today? Have you even been outside?

Wondrous things of Creation stand,
Enabling men to understand,
The Glory of their God above,
Of His mercy, grace, joy, and Love! ~CGP

What do the sparrows tell us of God? *“Are not two sparrows sold for a farthing? And one of them shall not fall on the ground without your Father.”* How many sparrows are there? You are so important to God, *“the very hairs of your head are all numbered!”* (Mt.10:30) Do you know how many (in my case, how few) hairs are on your head? God does! *“Fear ye not therefore, ye are of more value than many sparrows.”* Been outside, lately? Watched the stars?

“I would seek unto God, and unto God would I commit my cause: Which doeth great things and unsearchable; marvellous things without number: Who giveth rain upon the earth, and sendeth waters upon the fields: To set up on high those that be low; that those which mourn may be exalted to safety.” Job 5:8-11 KJV
