

"Woe unto you, scribes and Pharisees, hypocrites! for ye pay tithe of mint and anise and cummin, and have omitted the weightier matters of the law, judgment, mercy, and faith: these ought ye to have done, and not to leave the other undone. Ye blind guides, which strain at a gnat, and swallow a camel."
Matthew 23:23-24 KJV

The Constitution is being systematically shredded by unscrupulous lawyers, politicians, and judges that have lied, stolen, manipulated, and cheated to obtain power which they wield in tyrannical oppression of honest citizens. It is right that they should be vehemently opposed and thwarted at every possible opportunity. Unqualified usurpers slither to the top of the heap with smooth rhetoric and grandiose promises, hoping no one will peer behind their tapestry of deception. For the faithful, there are weightier matters. Not that the aforementioned are of no importance, but there are matters that the Church of the Living God have neglected. The question arises; how did our "Christian" nation come to this? If the faithful of recent past generations had been as zealous about their faith as our founders in the irretrievable past, perhaps there would be no need to oust evil from seats of power. If the Truth had been esteemed as important when it began its slide into anonymity, there would be no need to fight tyranny now. The Church has allowed Hollywood to usurp the family altar through the medium of TV. The great god "Entertainment has reared its dragon heads of sports, TV, movies, social media, and now, the evil of personal videos has made it possible to market evil directly via Internet! It has been diligently preaching evil to our children for decades. The internet has added greater potential for harm. TV and Internet in of themselves are not evil, but they have been used for little else and we have allowed them to advertise filth into the hearts and minds of our most valuable assets, our children. We fret about the symptoms and leave the disease untreated. The Gospel must be preached before sinners will repent. Truth must be passionately proclaimed without constraint everywhere and to everyone, starting with our families! When sinners repent, righteousness rules and peace and liberty prevail. *"Where the Spirit of the Lord is there is liberty."* Faith in God's Word is the answer. Our nation will right itself when its citizens right themselves and return to the God of old. You cannot have right without God. He must be the foundation of every successful endeavor. *"Righteousness exalteth a nation: but sin is a reproach to any people."* Our founders affirmed this with every stroke of pen and assembly. Benjamin Franklin said, "If a sparrow cannot fall to the Ground without His Notice, is it probable that an Empire can rise without his Aid?"

They swallow camels, strain at gnats,
Forgetting lessons of their past,
And to the LORD they must return,
Or they in hell will ever burn! ~CGP

Our passion must be first and always, God's Truth! Those who seek to deny God's Word should be marked as evil and pernicious. America needs repentance, not revival! *"The wicked shall be turned into hell and all the nations that forget God."* The Gospel is not friendly to sinners! Jesus said, *"Whosoever shall deny me before men, him will I also deny before my Father which is in heaven. Think not that I am come to send peace on earth: I came not to send peace, but a sword....a man's foes shall be they of his own household...he that taketh not his cross, and followeth after me, is not worthy of me."*

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." 2 Chronicles 7:14 KJV
