

"Then Peter and the other apostles answered and said, 'We ought to obey God rather than men.'" Acts 5:29 KJV

The Supreme Law of the U.S.A. is not the president, the congress, or the people, it's the Constitution. If that Law becomes oppressive or unnecessary, the Constitution has provision for amendments, if done in accordance with law. Some of the amendments to the Constitution were never ratified and are therefore void, but wicked men use fear and power to enforce them and the courts abet their tyranny! There's nothing wrong with, speed limits, parking meters, or anti-littering ordinances. I do, however, draw the line at driver's licenses. Travel is a right not a privilege! The Supreme Court determined that murdering babies in the womb is lawful. It is clearly forbidden in the Constitution which reads, "Secure the Blessings of Liberty to ourselves AND OUR POSTERITY." What part of that excludes the unborn? The Supreme Court is run by law breakers! Every soldier and elected official swears an oath to uphold and protect the Constitution and when they do not they are liars and law breakers! They *ōare of [their] father the devil, and the lusts of [their] father [they] will do. He was a murderer from the beginning, and abode not in the Truth, because there is NO TRUTH IN HIM. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.ō* The Federal Reserve Act of 1913 put private individuals in charge of what Congress had no right to delegate. The Congress is run by law breakers! The President went to war with foreign nations without a declaration of war by Congress. The current President continues those wars while Congress abets his criminal deeds. The Presidency is run by law breakers! We are not obligated to obey law breakers any more than we are obligated to obey thugs! If necessary, they can be resisted with deadly force. It is not against the Constitution or the Ten Commandments to protect yourself or your family from law breakers. When law enforcement kills a person in the exercise of duty it is justifiable, but ALL men are obligated to obey the Ten Commandments. It is God's Law. When they do not they are sinners. *ōThe soul that sinneth it shall die. The wages of sin is death.ō* Men can be pardoned by God if they call on his name, repent (forsake sin), and become His child and a soldier of the KING of kings. Believers are obligated to resist and abhor evil. *ōResist the devil! abstain from all appearance of evil.ō* God's Law makes evil readily apparent by naming it. Killing to prevent your own or a loved one's murder is not murder, it is the resisting evil. Execution is not murder. It is the lawful application of lawful sentence. Murder is ending a human life unlawfully. When man's ordinances are contrary to God's Law, the command is, *ōObey God!ō* Obey God and your life is protected by the God who is Life and who resurrects the dead! *ōFor I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. If God be for us, who can be against us?ō* Not even death can harm you!

Obeying man is not a sin,
Unless the Law of God they bend,
The choice is clear what ere the plight,
Obey the Lord and do what's right. ~CGP

If conflict arises, obey God. Power is not always righteous and doing right is never a sin!

"But if it be of God, ye cannot overthrow it; lest haply ye be found even to fight against God." Acts 5:39 KJV
